Account Status

In fairness to all families and our mission, families are expected to maintain current on tuition accounts. BCA is committed to working in good faith with families in need or in temporary financial crisis, but families must communicate with the school, commit to a payment plan that is acceptable to all parties, and fulfill the terms of the agreed to plan.

Students whose tuition account at the end of first semester is more than two months in arrears (as measured by the original payment plan or if appropriate, a new plan agreed to by both parties) will not be permitted to attend second semester. Students whose account is in arrears at the end of the school year will not be able to register for the next year until the account balance is paid. Report cards will be held until past due tuition is paid in full.

Please be aware BCA does not want any student to miss out on a quality Christian education because of financial need. Therefore, it is imperative that the family communicate with the school administration if they face a financial crisis.
